Financial statements and reports

- 1 The Corporations Act requires the Company's financial report (which includes the financial statements and Directors' declaration), Directors' report and auditor's report to be laid before the Meeting. The re-election of Mr O'Connor as a Director of the Company will be decided by ordinary resolution of Shareholders at the Meeting.
- 10 Mr O'Connor is the Chairman of the Remuneration and Nomination Committees. Mr O'Connor was formerly General Counsel and Company Secretary and an Executive Committee member of the global Xstrata Copper. Independent Directors' recommendation

- 16 The Directors (with Mr Tumbridge abstaining) unanimously recommend that Shareholders vote in favour of resolution 3.

Resolution 4 – Approval of additional 10% capacity under Listing Rule 7.1A

Background

- 17 Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.
- 18 Under Listing Rule 7.1A, however, an eligible entity can seek approval from its shareholders, by way of special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.
- 19 An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.
- 20 The Company is seeking Shareholder approval by way of a special resolution to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval (**10% Placement Facility**). The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to paragraph 25 below).
- 21 If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.
- 22 If Resolution 4 is not passed, the Company will not be able to access the 10% Placement Facility and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Listing Rule 7.1A

- 23 The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.
- 24 Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at the date of the Notice, has on issue one class of quoted Equity Securities, being Shares.
- 25 Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 10% Placement Period (refer to paragraph 30 below), a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

where:

A is the number of Shares on issue 12 months before the date of the issue or agreement (the **Relevant Period**):

- (a) plus the number of Shares issued in the Relevant Period under an exception in Listing Rule 7.2 (other than exceptions 9, 16 or 17);
- (b) plus the number of Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
- (c) plus the number of Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the Relevant Period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
- (d) plus the number of partly paid shares that became fully paid in the Relevant Period;
- (e) plus the number of Shares issued in the Relevant Period with Shareholder approval under Listing Rules 7.1 or 7.4;
- (f) less the number of Shares cancelled in the Relevant Period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period that are not issued with Shareholder approval under Listing Rule 7.4, or where the agreement to issue has not been subsequently approved by Shareholders under Listing Rule 7.4.

- 26 The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.
- 27 At the date of the Notice, the Company has on issue 211,962,408 Shares and therefore will have capacity to issue:
 - (a) 31,794,361 Equity Securities under Listing Rule 7.1; and
 - (b) 21,196,240 Equity Securities under Listing Rule 7.1A (subject to Shareholder approval being obtained for this Resolution 3).
- 28 The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to paragraph 25 above). In particular, as the Company is currently conducting an on-market buy back and cancelling Shares, the number of Equity Securities the Company will be able to issue under Listing Rule 7.1 and Listing Rule 7.1A is expected to reduce.

Effect of approving Resolution 4

- 31 The effect of approving Resolution 4 will be to allow the Company to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1. This will give the Company greater scope and flexibility to raise capital by the issue of Equity Securities during the 10% Placement Period.

	(b) if the securities are not issued within ten Trading Days of the date in paragraph (a), the date on which the securities are issued.
Purposes for which the Shares may be issued	If the Company were to offer or issue any Shares under the 10% Placement Facility, funds raised under the issue would likely be used as follows: (a) to provide the Company with funds to assist it to develop its business and/or meet its strategic goals; (b) to provide the Company with funds for general working capital purposes; and (c) to raise funds for an acquisition.
Risk of economic and voting dilution	An issue of Shares under Listing Rule 7.1A involves the risk of economic and voting dilution for existing Shareholders. The risks include: (a) the market price for Shares may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and (b) the Equity Securities may be issued at a price that is at a discount to the market price for the Shares on the issue date. In accordance with Listing Rule 7.3A.4 a table describing the notional possible dilution, based upon various assumptions as stated, is set out in paragraph 33.
Details of the Company's allocation policy for issues under approval	The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to Listing Rule 7.1A. The identity of the allottees will be determined on a case-by-case basis having regard to the factors including but not limited to the following: (a) the methods of raising funds that are available to the Company including but not limited to, rights issues or other issues in which existing Shareholders can participate; (b) the effect of the issue of the Listing Rule 7.1A Shares on the control of the Company; (c) the financial situation and solvency of the Company; and (d) advice from corporate, financial and broking advisers (if applicable). The allottees under the Listing Rule 7.1A facility have not been determined as at the date of this Notice of Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.
Issues of Equity Securities under Listing Rule 7.1A.2	The Company did not issue nor agree to issue any Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.
Voting exclusion statement	A voting exclusion statement is set out in Resolution 4 in the Notice. As at the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

market price of the Shares has halved. The table below also shows additional scenarios in which the Company's issued capital has increased (by both 50% and 100%) and the market price of the Shares has decreased by 50%; and increased by 100%.

Issued Shares	50% decrease in market price (\$0.15)		Current market price (\$0.29)		100% increase in market price (\$0.58)

34 The following assumptions and explanations have been made for the purposes of the above table:

- (a) The market price is \$0.29 per Share, based on the closing price of the Shares on ASX on 10 September 2025.
- (b) The above table only shows the dilutionary effect based on the additional 10% placement capacity under Listing Rule 7.1A and not the annual 15% placement capacity under Listing Rule 7.1.
- (c) The 10% voting dilution reflects the aggregate percentage dilution against the Company's issued fully paid ordinary share capital at the time of issue. The Company also has performance rights and options on issue, and the table above does not reflect if these securities were exercised into ordinary shares.
- (d) The Company issues the maximum number of Shares available to it under the additional 10% issue.
- (e) The Company's issued capital has been calculated in accordance with the formula in Listing Rule 7.1A(2) as at 10 September 2025.
- (f) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of a Share issue under Listing Rule 7.1A, based on that Shareholder's holding at the date of the Meeting.
- (g) The issue of Equity Securities under Listing Rule 7.1A consists only of Shares.
- (h) The issue price of the Shares used in the table does not take into account the discount to the market price (if any).

Resolution 5 – Approval of ESOP

- 36 The Company currently has an employee share and option plan (**ESOP** or **Plan**) in place. The Directors are empowered to operate the ESOP and rights, options and/or shares to Eligible Participants under the ESOP in accordance with the Listing Rules and on the terms and conditions summarised in the Schedule. The objectives of the ESOP are to:
- (a) establish a method by which Eligible Participants can participate in the future growth and profitability of the Company;
 - (b) provide an incentive and reward for Eligible Participants for their contributions to the Company; and
 - (c) attract and retain a high standard of managerial and technical personnel for the benefit of the Company.
- 37 Listing Rule 7.1 provides that a company must not issue Equity Securities without shareholder approval if that issue, when added to other shares issued by the company in the previous 12 months, will exceed 15% of the ordinary shares on issue at the commencement of that 12 month period.
- 38 Unless an exemption applies, an issue of securities will reduce the Company's capacity to issue further securities under Listing Rule 7.1, without obtaining Shareholder approval. Listing Rule 7.2, Exception 13 provides an exception to Listing Rule 7.1. The effect of Shareholder approval under Listing Rule 7.2, Exception 13 is that any issue of securities under the Plan are treated as having been made with the approval of Shareholders for the purposes of Listing Rule 7.1. Approval under Listing Rule 7.2, Exception 13 lasts for a period of three years.
- 39 In accordance with Listing Rule 7.2, Exception 13, Shareholders are advised of the following particulars:

Summary of the terms of the ESOP	Refer to the key terms of the ESOP outlined in the Schedule
Securities granted under the ESOP since the date of last approval (16 November 2022)	6,258,895
Maximum number of Equity Securities proposed to be issued under the ESOP	The maximum number of Equity Securities proposed to be issued under the Plan following approval of Resolution 5 by Shareholders is 11,135,279.
Voting exclusion statement	A voting exclusion statement for Resolution 5 is included in the Notice.

Directors' recommendation

- 40 The Directors unanimously recommend that Shareholders vote in favour of Resolution 5.

Schedule

A summary of the key terms of the ESOP is set out in the following table:

Eligible Participants	The Board may designate a Director, employee or consultant of the Company as an eligible participant for the purposes of the ESOP (Eligible Participant). Eligible Participants may nominate a company that they control (Permitted Nominee) to hold their rights, options or Shares, though the Company has absolute discretion to decide whether the rights, options or Shares are granted to the Eligible Participant or the Permitted Nominee. For the purposes of this Schedule, 'Participant' means an Eligible Participant or its Permitted Nominee (as the case requires).
Offer of rights, options or Shares	The Board may offer any number of rights, options or Shares to an Eligible Participant on the terms the Board decides by giving the Eligible Participant a written offer to participate in the ESOP (Offer), subject to the ESOP rules and any applicable law or the Listing Rules. An Offer is required to set out details such as the total number of rights, options or Shares being offered, the exercise period and expiry date, the vesting date and vesting conditions, any disposal restrictions, and other terms attaching to the rights, options or Shares, as the case may be.
Acceptance of Offer by Eligible Participant	To accept an Offer, an Eligible Participant must complete, sign and return the acceptance form annexed to their Offer in accordance with the Offer.
Maximum rights, options or Shares granted	The ESOP rules impose restrictions on the number of rights, options or Shares which can be granted, for example if the number of Shares to be issued on vesting when aggregated with: (a) other Shares related to unexercised and unexpired options; (b) other Shares related to unvested and unexpired rights; and (c) the number of Shares issued during the previous five years under any similar employee scheme, would exceed 5% of the total Shares on issue at the time of the Offer (subject to certain exclusions).
No payment for grant of rights or options or issue of Shares	A Participant is not required to pay for the grant of any rights or options or the issue of Shares.
Vesting and exercise	The Board has sole discretion in determining the vesting conditions which apply in respect of each grant of rights, options or Shares under the ESOP. Once Shares vest, the Participant will be transferred those Shares by the Plan Trustee. Once options vest, they become exercisable by the Participant. A Participant may elect to exercise options by way of cashless exercise.
Adjustment for reconstruction of issued capital of the Company	If there is a reconstruction of the issued capital of the Company, the number of Shares over which a right or option exists will be adjusted (as appropriate) to the extent necessary to comply with the Listing Rules.
No dividend rights	A Participant does not have the right to participate in dividends on Shares until Shares have vested.
No voting rights	A Participant does not have the right to vote in respect of a right, option or an unvested Share. Once a Share has vested the Participant can direct the Plan Trustee how to vote that Share.
Participation in further issues	A Participant cannot participate in a pro rata or bonus issue of Shares without being issued Shares for their rights or options. If a pro rata bonus or cash issue of securities is awarded by the Company, the number of Shares

	over which a right or option exists will be adjusted as specified in Listing Rules and written notice will be given to the Participant.
Non-transferability of rights, options or Shares	With the exception of transmission of rights, options or Shares to a legal personal representative of an Eligible Participant following an Eligible Participant's death, Participants must not create a security interest in, or transfer, assign, dispose or otherwise deal with, rights, options or Shares, or any interest in rights, options or Shares, without the prior written consent of the Board.
Unquoted rights and options	The Company will not apply to ASX for official quotation of any of the rights or options.
No interest in Shares	A Participant has no interest in Shares the subject of rights or options unless and until vesting of those rights or options occurs and Shares are transferred to that Participant.
Change of Control Trigger Event	Unless the Board decides otherwise, if a Change of Control Trigger Event occurs, the vesting date of all rights or options is the date on which the Change of Control Trigger Event occurs. After a Change of Control Trigger Event occurs, the Board must decide whether the rights or options, or a pro rata proportion of those rights or options, vest on the vesting date (having regard to a number of factors). For the purposes of this Schedule, 'Change of Control Trigger Event' means: (a) a person acquires voting power (within the meaning of section 610 of the Corporations Act) in more than 50% of the ordinary shares in the Company; (b) an order of the court made for the purposes of section 411(4)(b) of the Corporations Act, in connection with a members' scheme of arrangement to effect a change of Control of the Company, is lodged with ASIC under section 411(10) of the Corporations Act; (c) the Company disposes of the whole or a substantial part of its assets or undertaking; or (d) an event set out in paragraph (a) or (b) is, in the opinion of the Board, likely to occur in the near future and the Board decides to nominate a date on which a Change of Control Trigger Event is taken to have occurred.
Issue of Shares on vesting	The Company will issue or transfer vested Shares to a Participant at the next Board meeting, or within 20 Business Days, whichever first occurs after exercise or vesting, as the case may be. As the Shares are officially quoted by ASX, the Company will apply to ASX for official quotation of any Shares issued to a Participant after vesting within the time prescribed by the Listing Rules but, in any event, within ten Business Days of the issue of those Shares.
Ranking of Shares issued	A Share issued under a right or option after vesting ranks equally with all existing Shares on issue in the Company from the date of allotment.
Disposal restrictions	If an Offer contains disposal restrictions, the Participant must comply with the disposal restrictions in relation to all Shares issued after vesting for the period specified in the Offer. If the Shares issued after vesting to a Participant are subject to a disposal restriction the Company may implement any procedure (including a holding lock) it considers appropriate to ensure the disposal restriction is complied with for the period specified in the Offer. A disposal restriction ceases to apply immediately upon a Change of Control Trigger Event occurring. As soon as reasonably practicable after the Change of Control Trigger Event occurs, the Company must release the Shares from any procedure in place.

Amending the ESOP	Subject to certain restrictions such as when an amendment to the ESOP would have a material adverse effect or otherwise prejudice the rights of a Participant holding rights, options or Shares (except if it is necessary for compliance with laws and rules affecting the maintenance or operation of the ESOP) the Board may amend the ESOP in any manner it decides.
